

Custom Shield®

Premium Replacement Patio Doors by Weather Shield®

Want More™

Custom Wood Interiors Collection®

Accent your home's character with any of our eight interior wood species (shown on page 2). With so many beautiful choices, you can match your existing cabinetry, flooring or woodwork, or create a new look altogether.

Exceptional Craftsmanship

For lasting satisfaction and years of smooth, effortless operation, Custom Shield doors feature glued, multi-doweled joints that prevent drooping and bowing.

Multi-Point Locking Hardware

Every handle and hinge is designed to open and close fluidly. Multi-point locking mechanisms secure the door tightly to provide around-the-clock peace of mind.

Premium Replacement Patio Doors by Weather Shield®

The perfect combination of elegance and energy efficiency, our Custom Shield hinged and sliding patio doors feature warm wood interiors, worry-free aluminum-clad exteriors, and solid craftsmanship. With panel configurations and details that complement our Custom Shield windows, Weather Shield products provide whole-house coordination. You'll enjoy a more attractive patio door that opens and closes effortlessly, time and time again.

HARDWARE

Hinged patio door hardware features multi-point locking handle sets in a traditional or contemporary design and eight popular finishes (shown below). Sliding patio door hardware is also available in eight finishes (shown below) and features a two-point locking system.

Bright brass pvd is standard on hinged doors.

EXTERIOR COLORS

Weather Shield's exclusive Accentails™ Distinctive Colors & Finishes program offers a choice of eight standard (shown below) and 47 designer colors, or virtually any custom color under the sun. Eight anodized aluminum exterior finishes are also available.

INTERIORS

Weather Shield's exclusive Custom Wood Interiors Collection® offers up to eight wood species to complement cabinets, furniture, floors, and trim throughout your home. Pine finish is standard and comes natural, primed, or prefinished.

Exterior colors shown may not be accurate representations. Actual color samples are available upon request. The color and grain of natural wood varies. Color and grain shown may not be actual representations. Samples are available upon request.
